

## **Betsson announces that the condition for the early redemption of existing bonds 2022/2025 has been fulfilled**

Betsson AB (publ) (the “**Company**”) announced on 12 September 2024 that it will redeem in full all of its outstanding bonds 2022/2025 with ISIN SE0017769672 (the “**Bonds**” and “**Early Redemption**”).

The Early Redemption was conditional upon the successful issuance of new bonds as announced by the Company through a press release on 12 September 2024 (the “**New Bond Issue**”). The issue date for the New Bond Issue occurred today and the conditions for the Early Redemption have therefore been fulfilled. The Early Redemption is therefore no longer conditional and will consequently occur on 8 October 2024. The redemption price together with accrued but unpaid interest up to (and including) 8 October 2024 will be paid to each person who is registered as owner of Bonds in the debt register maintained by Euroclear Sweden at the end of business on 1 October 2024.

More information regarding the Early Redemption can be found in the Company’s press release 12 September 2024.
