

CHANGES IN THE NUMBER OF SHARES AND VOTES IN BETSSON AB (PUBL)

As of 30 June 2023, the total number of shares in Betsson AB (publ) (the “Company”) amounts to 142,729,838 and the total number of votes amounts to 285,928,838. These are divided into 15,911,000 class A shares equaling 159,110,000 votes, 121,571,405 class B shares carrying the same number of votes and 5,247,433 class C shares carrying the same number of votes.

The reason for the decrease in the number of shares and votes is the completion of the first automatic share redemption program resolved by the Annual General Meeting held on 10 May 2023. The number of shares and votes has now been restored after redemption of the outstanding redemption shares in June.

A second automatic redemption procedure was also resolved by the Annual General Meeting 2023 and will be carried out during September and October 2023.

For more information regarding the redemption procedure, please refer to the Company’s website: www.betssonab.com.
