

Temporary changes in the number of shares and votes in Betsson AB

As of 29 September 2023, the total number of shares in Betsson AB (publ) (the “Company”) amounts to 285,459,676 and the total number of votes amounts to 571,857,676. These are divided into 31,822,000 class A shares equaling 318,220,000 votes, 243,142,810 class B shares carrying the same number of votes and 10,494,866 class C shares carrying the same number of votes.

The reason for the change in the number of shares and votes is a share split (2:1), which constitutes a step in the implementation of the second of the two automatic redemption procedures of shares that were decided on by the Annual General Meeting on 10 May 2023. Half of all outstanding shares after the split are redemption shares. The number of shares and votes will be restored after the redemption procedure is completed in October 2023.

For more information regarding the redemption procedure, please refer to the Company’s website: www.betssonab.com.
